# 1 emp\_bookings

Creation: Oct 24, 2021 at 08:19 AM

Column	Type	Attributes	Null	Default	Extra	Links to	Comments	MIME
id	bigint(20)		No		auto_increment			
employee_name	varchar(255)		No					
employee_mail	varchar(255)		No					
event_id	bigint(20)		No					
event_name	varchar(255)		No					
participation_fee	decimal(10,2)		No					
event_date	datetime		No					
participation_id	bigint(20)		No					
version	varchar(20)		No				version column helps us to determine the right timezone. The external system changed the timezone of the event date. Prior to version 1.0.17+60 it was Europe/Berlin. Afterwards it is UTC.
